A large, white, rectangular planter box with a modern, slightly textured design. It sits on four small, white, rectangular feet. The planter is filled with a variety of plants: a central palm tree with long, green fronds, several smaller green shrubs, and a layer of dark brown mulch. The planter is positioned on a light-colored tiled surface against a light-colored wall.

Technical drawing of a rectangular box with the following dimensions and features:

- Overall width: 146
- Overall height: 80
- Top panel width: 75
- Top panel height: 25
- Top panel thickness: 9
- Bottom panel height: 4
- Bottom panel width: 16
- Bottom panel thickness: 9
- Bottom panel angle: 45°
- Bottom panel material: B
- Bottom panel handle: 16

A technical drawing of a square pedestal. The top surface is a square with a decorative fluted or beveled edge. The main body is a square column. The base is a square with a slightly recessed, flared bottom edge. The drawing is a simple line representation with no shading.

Technical drawing of a rectangular plate. The overall dimensions are 150 (width) and 81 (height). The inner dimensions are 138 (width) and 70 (height). The plate has a chamfer of 1x45° on the corners. There are four circular holes, two on each long side, with a diameter of 10. The drawing includes a section line A'-A' and a dimension line for the 1x45° chamfer.

A line drawing of a rectangular box, viewed from an isometric perspective. The box has a handle on top, which is a curved, elongated shape. The handle is attached to the top surface of the box. The box is shown with its front, side, and top surfaces. The handle is positioned on the top surface, extending from the front edge towards the back. The drawing is simple, using only black lines on a white background.
